

# Weekly Report

Junhua Lu

May 10, 2015

## **Work has been done**

1. Studied the book and slides and made a report on the introduction of visualization. Briefly introduced our work before group meeting.
2. One section left for my graduation thesis.

## **Work to be done**

1. Must finish the thesis in 2 days and make some modifications with combination of tutor's suggestions!
2. Do some discussion with several teachers and Gu about the Gong'an data project.
